## Auction Night

The Committees of Feilding Golf Club thank all who contributed to make this an enjoyable and successful night.

The pace was set for the bidding by the No 1 Carpark being first up.

Theme for the evening was F & G, and set the mood for a fun night, with a Fresian Bull in full regalia making an appearance, along with Frenchie, from 'Grease'. Also making an appearance were a couple of Flappers, accompanied by a pair of Gangsters at their side, obviously to give support in case of any 'trouble'.

Adele, our fabulous caterer must have dipped her hair in 'Green' food dye, as Freddie the Frog endeavoured to help 'fix the problem'. In case Freddie got too carried away in the kitchen, the Fire Brigade was well represented, and not too far away!

The lovely Gypsy was on hand to read into her crystal ball, and in case things went AWOL, the good Fairy floated around to wave her wand...as it was a golf club we wondered whether any good scores were posted later!

Goodness knows what the Fly Fishermen thought they were going to catch in the Lagoon...no one ventured out to have a look, but no doubt the Fishermen had no complaints about their best catch of the day!

The Golfers making an appearance weren't making any headway, I guess thats why they were seen with the Gardening Gurus!

As for Friar Tuck...well, rumour has it he was seen with one of the Gypsy's!
