10 years!

Special thanks must go to Herrick Perry, for the upkeep of the bunkers. He started doing this in 2006 for the Masters Tournament. Herrick keeps the bunkers in excellent order and is often seen working around the course. No blame should go to Herrick for the mess the birds, rabbits and people make!

## Xmas Greetings from your Editor!

Seasons Greetings from me to all of you!  
To those many people who make my job easier, especially Ann, our fab secretary, a huge thank you!

And to the many compliments on your newsletter, my special thanks also. It is so rewarding, and very much appreciated.

So for now, happy holidays and safe travels, wherever you may be. I will be away mid January until April, so Ann will take over the reigns.

So - Happy Xmas, good golfing in 2017!

Gillian

## Men's Club Captain 2017

First and foremost I would like to thank you for the honour of being your Men's Club Captain for the 2017 season. I am looking forward to working with you all to continue the recent progress of the club.

I would like to thank Tony for his hard work over the last two seasons and I have learnt a lot working alongside him. I intend to follow in his footsteps and be a successful and approachable Club Captain, however with my own spin on things!

In my current situation with a young family, playing rep golf and also with my role in the pennant team in the early part of the year it is just not possible for me to play every Saturday and if I am being honest I will be lucky to play half! However I don't think this will affect the job I do as Club Captain. Don & Colleen have already offered to keep you all informed by making any announcements on the Saturdays I cannot play and I am always easy to get hold of. I encourage you to raise any issues, concerns, or positive feedback if the case may be. If you do not talk to myself or your Men's Match Committee members then your issues will never be heard and things will not change.

I am excited about what our 'young' committee can do in the coming year with Damien Walker, Ben Anderson, Wayne White, David Goddard and myself, with Peter Hunter being co-opted on at our first meeting and Don as our knowledgeable guest. I am hoping we can make some exciting progress.

For those of you I do not see, have a great Xmas & a Happy New Year and looking forward to catching up with you all at some stage.
