## Letter of Thanks

Last month the Club received the following letter of thanks which was very pleasant, as it is always nice to have something good happen.

*Dear Sir/Madam*

*We had the pleasure of playing your lovely course today. This experience was made most pleasurable by your golf pro (man in golf shop) by informing us on arrival the format being played on the day and advising us we may have a wait on the 2<sup>nd</sup> 9 holes. We completed the 1<sup>st</sup> 9 holes just as the afternoon field was teeing off. The pro came out and advised us we would have some wait. We said that we were a bit pushed for time. With this he asked the men if we could go through...and they said yes. He then went off in the cart and asked the group in front if they would let us through...and they said yes.*

*The end result is that we are very grateful to the pro shop man and the gentlemen who let us play through. We for our part will recommend your golf course. This was a politeness and friendliness that golf is all about.*

*The pro and members should be commended. Thank you very much.*

*Colin and Lee Orr*
