Welcome Shaun

The Feilding Golf Club is pleased to announce a new Greenkeeper to take on the role left vacant with Glen's decision to leave. Shaun Fulton comes to us most recently from a sole charge position at the Kapiti 9 Hole Golf Club, he has been in this position for 7 years. Shaun originally completed his Greenkeeping qualifications under the guidance of Malcolm Wells and Dave Smith at the Manawatu Golf Course over the space of almost four years. From there Shaun went to the Rotorua Golf Club into the position of ZIC for a short stint, then onto a sole charge position at Pauatahanui. At this stage he decided to move back closer to home where he lives in Foxton with his partner Amy who is an early childhood teacher at Foxton Beach. Shaun will start with us and the new look team on the 2nd October, however, some of you may have seen him around already, volunteering his time on weekends especially over the last two weeks to get the course looking like it is with Malcolm's, Daniel's, Alan's, and the many volunteers help. Shaun is also a very competent golfer, and many of us have met or played against him in years gone past, when he represented Foxton in the 'C' grade pennant team - he admits to being a bit rusty now. With Shaun's appointment the Feilding Golf Club is in great hands and we look forward to the future. Please join with the Board in making the team feel welcome. They are putting in a lot of extra time and effort during a busy season to present the course to the standard that it is.

Grant Funding

The Board have been seeking funding for a new Fairway Mower over the year. It now transpires that we have lost access to the Pub Charity Trust through the Feilding Hotel changing to New Zealand Community Trust, of which there are now 4 outlets in our area. To date the Club has \$15,000 from NZCT and \$10,000 from NZ Racing Board. An application to the Eastern & Central Community Trust is at meeting stage and we should know early October if we have any success.

The Club thanks **Pub Charity** for being a huge supporter of the Club with annual funding usually around the \$30,000 mark. This will be greatly missed.
