Volunteer for January 2018 – Terry Burgham

Retirement for Terry is very busy. The Golf Club sincerely appreciates the many hours of work Terry puts in to the Club, and has done for many years. For 30 years he caddied for A Grade pennants, and was involved with early morning starts and late evenings for the week of the very successful Mens Lion Foundation Masters Tournament at Feilding in 2006.

Over the past 2 years or more, Terry has been working extremely hard over at the shed. He has re-organised the inside of the shed, and along with other dedicated volunteers has cleared and organised the outside area.

Terry has also worked around the golf course clearing up rubbish after storms, weeded gardens, split firewood, painted the inside the Clubhouse a couple of years ago (along with other wonderful volunteers), fixed things and many other jobs that we don't know of. Terry loves his golf and will continue to volunteer forever!

If anyone would like to volunteer some of their day, week or month to the Club, there are many jobs to be done from rubbish & recycling, to gardening/trees trimming, all sorts of maintenance around the Clubhouse and out on the course. Please come and see Ann at the office.

New Phone System

Communication via telephone - Vodafone have offered the Club a new 'Business Online' contract with no set up fees. Wiring has been completed to the Clubhouse and Kitchen phones. We will be using the current 4 numbers with new phones supplied in the contract. Once this is live in the next couple of weeks, there will be a new answer system. All calls to the Office number will be answered with the 4 line options, if the re-directed call is not answered then it will be picked up by Voicemail.

Hole In One's!

The first Ace for 2018 was holed by Chris Naylor on the 2nd hole, on 9th January. Unfortunately Chris never got to hold the tankard for long, as Tim Horgan aced the 9th hole on the 10th of January, his first! Well done boys! A great start to 2018!

Scorecards

Following play signed scorecards should be placed in the Blue Box in the Mens Locker Room, and in the Red Box in the Ladies Locker Room. Cards left in any other corner of the building run the risk of not being found, therefore not being processed on time.

2018

2018 Womens Club Captain

After 3 years being on the Womens Committee, the last two being ice Club Captain, I decided it was my turn.

A brief spiel about myself -

My husband Roger and I shifted to Feilding 30 years ago, from the Wairarapa. I come from a golfing family belonging to the Martinborough Golf Club, and found it to be great, social-wise as well as golf-wise, and found that after joining the Feilding Tennis Club it was the same. Later we joined the Feilding Golf Club, and found it was full of ex-tennis players!

I have watched a lot of our friends working hard on Committees over the years, so now it is my turn. I am very happy to take on the role of Womens Club Captain, knowing I have the support of the other members of the Womens Committee. I know that I will do the best I can, and look forward to the year ahead.

When I first joined the Feilding Golf Club I was made welcome and this has always stayed in my mind. I am only too happy to help anyone in any way I can in the following year.

My best wishes for a great golfing year ahead, both for myself, and the Feilding members.

Mixed 9 Hole News

Our 9 Hole 'Champs' did the Club proud at the Champion of Champions held at the Manawatu Golf Course last year, competing against the cream of the 9 Hole Champions. The team of Heather Haswell, Russell Parker, Marie Atkinson and Darryl Warren won the Teams Event. Marie took out the Overall Stableford Competition with an incredible 26 points, her best ever round. Russell won the Men's Gross title after a solid round on what was described as a lengthy course for the older generation! Congratulations team!

A great way to finish 2017 for the Mixed 9 Holers was a mystery bus trip to the Levin Golf Club. We were joined by some of the Levin 9 Hole Group, followed by a nice luncheon at the Clubhouse. Husbands and wives were able to enjoy lunch also. Thanks must go to Heather for organising a great day. Prizes were given out to everyone, including those present who hadn't played golf. Each week our players contribute \$2 towards the end of year Mystery Bus Trip..

Over the summer months some groups of 9 Holers play on Tuesday and Thursday mornings, commencing at 8.30am. Tuesday is a chance to enjoy a round of golf and a get together. All cards submitted count towards the Summer Cup with Stableford and Medal on alternate weeks.

Looking forward to 2018, hoping we can encourage as many members as possible to join us each Thursday for 9 holes of golf and lunch together. Mixed 9 Holers Opening Day is the 22nd February 2018. Do join us, just turn up for a 9.30 tee off, and enjoy our lovely Golf Course!

Shaun and Terry Bird hard at work in the forest earlier in January.

As you may have noticed, the first of the pine trees have been felled to be split for the selling of firewood for the Club.

Three more trees will be coming down later this month.
