Sponsored by The Gateway Precinct & Rob Lowry

Ian Whitehead

Ian has been a regular volunteer serving on the bar – playing Wednesday evening Twilight Golf before opening the bar, and helping out for the Monday-Friday players as well as the odd Saturday morning. Over recent years Ian held his Club Managers Bar License and was assisting previous managers when required.

Ian was born in Waitare, Taranaki on a dairy and dry stock farm. At the age of 21, he headed over to Australia and worked in shearing gangs; he also Share Farmed wheat on 5,000 acres where 3,000 acres was sown each year. A few years later he was employed with the International Wool Secretariat as a shearing demonstrator and followed the AMP Show's through Uruguay, Peru, Chile, Argentina and Brazil. He was able to go where no tourist went. He came back to NZ and after sharemilking for 7 years, bought a dairy farm at Pukengahu and started playing golf in 1981. Pukengahu was a 9 hole course open from November to September each year, closed 2 months for lambing! He served on the committee, managed the bar and looked after the sheep on the course. After selling the farm and buying a dry stock farm in Pahiatua, Ian joined the Pahiatua Golf Club and also served on committee and helped on the bar. Ian retired from farming and moved to Feilding where past record continued, serving on our House & Bar committee for 3 years.

Thank you Ian for all your assistance in the bar, and we hope you continue to enjoy your golf for many more years.

Keeping our Clubhouse Safe:

Security cameras are being installed around the Clubhouse and Sheds following 3 break-ins within 7 days at the end of April. If you notice unfamiliar people walking or driving around, please let us know so we can let the Police know. In March diesel was taken leaving the tank empty. The Shed break-in left more damage than much stolen, and nothing was taken from the Clubhouse although both entries were forced with subsequent damage. The Police have the matter in hand and we thank them for working with us.

Hole in One

Talk about luck! Judy McPherson scored her 3rd hole in one on the 9th green on Wednesday 24th April, her first Ace in Feilding - with a totally unbelievable shot! The ball veered right, hit the tree behind her, ran down the trunk, across the dirt and grass, and between two bunkers. It then veered right, up over the side of a bunker, continued down across the green to the pin, where it sat, then went 'clunk' into the hole! Congratulations Judy!

Our Club's future in great hands.

Our top 4 junior boys were selected to play in the Manawatu-Wanganui Development team against Wellington, Hawkes Bay and Taranaki at Marton last week. These young men, Remy Early, Ethan Ward, Ryan Rooney and Scott Donald all performed exceptionally well at the top end of the ten player team, all of them achieving some excellent results. The best part is that they all have more time at this level and look set for higher honours in Association Teams. Well done guys.

Junior News

We have finished our 1st term of juniors for the year, it is great to see a good increase of numbers on Tuesday afternoons with the children being very enthusiastic!! We look forward to seeing them all again for Term 2.

We have two awards per term for our group, for best all round player including listening, attendance and attitude.

Congratulations to Zara Lynch winner for Rebecca's group and Caleb Barker winner for Helens Group.

In the school holidays Ethan Ward, Ryan Rooney, Scott Donald and Remy Early were selected to be part of Manawatu Wanganui Junior Development Squad to play at Marton for a two day Quadrangular tournament against Hawkes Bay, Wellington, Taranaki. The team overall came 3rd for the event.

The Feilding High school Golf team consisting of Ethan, Ryan, Scott and Liam Magill played in the Inter schools Regional tournament on the 28th March, which they won!

It is the first time Feilding High has won this since 1994! This qualifies the boys to play at the Provincials at the end of May in New Plymouth. Good luck boys!
